Pod 30: Ethan Ngo | Devin Khun | Kuiduan Zeng | Hannah Sim | Evan Haut
Pod 31: Wayleom Vargas | Aikins Acheampong | Aaron Mpuga
Pod 37: Artem Pugach | Sijan Shrestha

STUDY

Set aside a time in your day to practice coding problems, even if it's short. Make a plan for your Leetcode practice.

MOTIVATION

Do all the practice problems for homework with someone. Having someone helps you to stay motivated!

SKILLS

Code your path to your dream jobs with amazing fellows and coaches here

PASSIONS

Carve out a little time for interview prep each day. And for coding? Grab a friend — it's always more fun to tackle it together!
